I had the opportunity to be an Erasmus Student at HHU in the summer of 2024, for which I'm very grateful. In general, I have been wholly satisfied with my stay, both with the opportunities to advance my studies and to get to know another country and new people.

I study Germanistik and thus attended classes from the Institute of Germanistik at HHU. The attended classes were mostly well coordinated, and the content was generally interesting. The system at HHU was quite different than what I'm used to; I wasn't permitted to attend the exams of the classes from the Institute of Germanistik, as all of them were part of bigger modules, typically spanning over two semesters. What could have been a big problem was however gracefully handled by the lecturers. They were more than happy to award extra points for additional work, such as essays or papers. I'm grateful for their willingness and readiness to help one reach their goals.

The best aspect of the stay was beyond any doubt meeting new people. Thanks to my exchange semester at HHU, I have met many new people and acquired friendships for life. There are a lot of international students in Düsseldorf, and I really appreciated the cultural exchanges. Networks like ESN and AStA arranged multiple different events, which made socializing as an exchange student much easier. The networks were especially active the first weeks, which was particularly helpful in building friendships.

In conclusion, I'm most grateful for my exchange semester at HHU. It was a great, enriching experience, and I highly recommend it to other students.

Ich stimme der Veröffentlichung meines Erfahrungsberichtes ohne Nennung meines Namens auf den Internetseiten der Heinrich-Heine-Universität zu.
