My time at HHU was a truly transformative experience. As a German language student, HHU presented several advantages in furthering my studies. My German language proficiency improved significantly, and both staff and students alike were very accommodating and supportive in my achieving this goal. The lectures and classes were also excellent, with teachers taking a real interest in every student. The tuition I received allowed me to develop both academically and personally.

The friendships I made at HHU were the most valuable part of the experience. A welcoming community and strong Erasmus students network contributed to a vibrant social scene. I made lifelong friends at HHU that have enriched my life.

The amenities on campus were also of a very high standard. The Mensa, library and café were always well-maintained and the modern lecture halls were conducive to learning. There were also excellent sport facilities, with a gym and an athletics track available to all students, along with an extensive range of sports classes.

I thoroughly enjoyed my time at the Studierendenwerk Düsseldorf accommodation at Campus Süd. The facilities were well-kept and the staff were always nice and helpful. Campus Süd was easily accessible using public transport, and I was a mere 10-minute walk away from my classes.

Although it is challenging to move country, it is an invaluable experience for which I am extremely grateful. I would highly recommend the experience to any student in the future.
