

The faculty of Business Administration and Economics of Heinrich Heine University Düsseldorf and the Düsseldorf Institute for Competition Economics (DICE) are inviting applications for a position as

Postdoctoral Researcher (m/f/d) in Trade and Industrial Organisation or in Empirical Industrial Organisation or in Competition Policy

(100 %, pay grade 13 TV-L)

The employment is initially limited to a period of three years, starting on October 1st, 2022, with an option for an extension. It is a qualification position in the sense of the Act of Academic Fixed-Term Contract (Wissenschaftsvertragsgesetz -WissZeitVG), which is to promote the scientific qualification of the employee.

Your tasks:

The successful candidate conducts research and teaching (teaching in German is not required) in the field Trade and Industrial Organisation or in Empirical Industrial Organisation (with a slight preference for researchers focusing on consumer behaviour) or in Competition Policy.

Our requirements:

- A completed scientific university education (M.Sc. / M.A. / Diploma / Magister) in the field of Economics or a related discipline with outstanding grades
- PhD in a relevant field
- Very good knowledge of theoretical and empirical economic methods
- Excellent command of the English language

The pay scale grouping will be, depending on the personal qualification of the applicant, up to pay grade 13 TV-L.

In principle, the employment can also take place part-time, if no compelling official reasons are opposed in an individual case.

Heinrich Heine University Düsseldorf aims at increasing the percentage of employed women. Applications from women will therefore be given preference in cases of equal aptitude, ability and professional achievements unless there are exceptional reasons for choosing another applicant. Heinrich Heine University

strongly supports the principle of excellence through diversity. Heinrich Heine University signed the “Diversity Charter” and successfully participated in the Stifterverband’s “Shaping Diversity” audit. It is certified as a family-friendly university and has set itself the goal of promoting the diversity of its employees. Applications from suitably qualified severely disabled persons or disabled persons regarded as being of equal status according to Book IX of the German Social Code (SGB – Soziales Gesetzbuch) are encouraged.
