At the institute of experimental psychology in the faculty of Mathematics and Natural Sciences of Heinrich Heine University Düsseldorf a post as a

**PhD researcher (m/f/d)**

(100 %, pay grade 13 TV-L)

is to be occupied at the earliest possible date. The employment is initially limited for a period of one year. It is a qualification position in the sense of the Act of Academic Fixed-Term Contract (Wissenschaftsvertragsgesetz -WissZeitVG), which is to promote the scientific qualification of the employee.

**Your tasks:**
The topic of the postdoc will be the perception of space and time. Experiments with virtual/augmented reality shall investigate the relationship between motor movements (eye, head and arm movements) and visual perception. These experiments can be combined with EEG methods.

**Our requirements:**
- A completed scientific university education (M.Sc./M.A./ Diploma/Magister) in the field of psychology, biology or related disciplines
- Candidates should have an interest in problems of perceptual psychology with a good knowledge of basic psychology and psychological methods

The pay scale grouping will be, depending on the personal qualification of the applicant, up to pay grade 13 TV-L.

In principle, the employment can also take place part-time if no compelling official reasons are opposed in an individual case.

Heinrich Heine University Düsseldorf aims at increasing the percentage of employed women. Applications from women will therefore be given preference in cases of equal aptitude, ability and professional achievements unless there are exceptional reasons for choosing another applicant. Applications from suitably qualified severely disabled persons or disabled persons regarded as being of equal status according to Book IX of the German Social Code (SGB – Soziales Gesetzbuch) are encouraged.

Your contact person in case of questions is Prof. Dr. Eckart Zimmermann; email: Eckart.Zimmermann@hhu.de.
